The following is an examiner's statement of reasons for allowance:

Claim 21 and the claims which depend thereon are allowed since claim 21 recites an inner shield and an outer shield spaced from the inner shield and carrying mechanical fixing elements to fix the inner shield to the outer shield, the inner shield being engageable with the outer shield, and additional fixing elements for fixing the outer shield to a support component, the support component optionally being a helmet or a goggles frame, and a silicone sealing and spacing member extending around the periphery of the inner shield on a surface facing the outer shield.

Claim 29 and the claims which depend thereon are allowed since claim 29 an inner shield and an outer shield spaced from the inner shield and carrying mechanical fixing elements to fix the inner shield to the outer shield, the inner shield being engageable with the outer shield, and additional fixing elements for fixing the outer shield to a support component, the support component optionally being a helmet or a goggles frame, and a silicone sealing and spacing member extending around the periphery of the inner shield on a surface facing the outer shield.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
